ATTESTATION OF INTERNSHIP IN EDWARD FRANCIS SMALL TEACHING HOSPITAL

This is to certify that Ramatoulie Gaye had successfully completed her three (3) months internship in the above mentioned hospital. She started on the 13th/9/ 2018 and completed on the 13th /11/2018. During her internship, she was posted at the various departments of the hospital. She was supervised and observed to be competent in performing all the professional nursing procedures such as ward management, surgical dressing, medication administrations, cannulation, vital signs monitoring, sample collections, etc.

Ramatoulie was very active, punctual and always ready to be involved in patient care. She has a very good team work spirit and is an enthusiastic learner.

We will be very glad to receive her again in our hospital
