## TESTIMONIAL LANDING DARBOE

Landing Darboe was enrolled into Grade 7 at the Gambia Methodist Academy in September 2015. He sat to the Gambia Basic Education Certificate Examination (GABECE) in May 2018. He was re-admitted into Grade 10 at the Gambia Methodist Academy in September 2018 to pursue a three-year Senior Secondary School Business Studies programme. He sat to the West African Senior Secondary School Certificate Examination (WASSCE) for School Candidates in August 2021.

Landing worked relentlessly to improve on his academic performance. His overall academic performance during the period of study in this school was above class average. He gave no cause to complain about his academic work or conduct.

Landing related well with his colleagues as well as his teachers. He was an active member of the school's Football team.

*I recommend him to any institution where he would have the opportunity to broaden his knowledge.*
