## TESTIMONIAL MARIAMA TOURE

Mariama Toure was admitted into Grade 7 at the Gambia Methodist Academy in September 2017. She sat for the Gambia Basic Education Certificate Examination (GABECE) in May 2020. She was re-admitted into Grade 10 in September 2020 to pursue a three-year Senior Secondary School Pure Science programme. She sat for the West African Senior Secondary School Certificate Examination (WASSCE) for School Candidates in May/ June 2023.

Mariama is hard-working and studious. She worked relentlessly to improve on her academic performance. Her overall academic performance during the period of study in this school was well above class average. She gave no cause to complain about her academic work or conduct.

Mariama is polite and well-behaved. She related well with her colleagues as well as her teachers. She was an active member of the school's Federation of African Women Educationalists, (FAWEGAM) Gambia Chapter.

I recommend her to any institution where she would have the opportunity to further her studies.
