22nd July, 2020

To whom it may concern,

It is my honour to recommend Tamsir Saidykhan for admission into the Advanced Diploma Secondary at the Gambia College School of Education. Tamsir has worked with me for one year now at the Rural Development Organization's Youth Project that was established last year. The youth project is a work and learn programme in Agriculture and Entrepreneurship with a duration of two years.

Having known Tamsir for seven years and following his enrolment at the Gambia Songhai Initiative (GSI) in Chamen to pursue a six months Training on integrated Agriculture and subsequent internship at GSI, I was fortunate enough to keep track of his career so that, when the opportunity arose, I was able to recruit him to his current position at RDO. The good characteristics exhibited by Tamsir are the reason why I will not hesitate to provide him with an unqualified endorsement for further studies.

Tamsir brings to all of his activities energy, enthusiasm, intelligence, honesty and commitment be it in the field and in the classroom as instructor.

Tamsir Saidykhan is a valued staff of our organization whom we have learned we can rely on, regardless of the difficulty of the task to hand or the novelty of the challenge. His combination of intelligence, commitment, perseverance, creativity and compassionate character will certainly make him a valuable member of any academic program. I encourage you to look favourably upon his application.

Sincerely,

Momodou Y. Bah
Chief Executive Officer
