RAMATOULIE BARRY

To Whom It May Concern,

RECOMMENDATION FOR COMPLETION OF MEDICAL LABORATORY ASSISTANT PRACTICAL ATTACHMENT

I am pleased to write this letter of recommendation on behalf of **Ramatoulie Barry**, a highly dedicated and accomplished student of Medical Laboratory Sciences who has successfully completed an intensive **three (3)** month practical training at the aforementioned facility; as a prerequisite academic requirement under the jurisdiction of the SDA School.

This training customarily entails both theoretical and practical aspects in the respective medical science disciplines namely; basic human biology & immunology, introduction to laboratory processes, basic hematology, basic microbiology, basic biochemistry and also introduction to parasitology & mycology.

Her level of commitment in the above field of study has been exemplary throughout her tenure with us. She has consistently demonstrated a strong passion to improve her knowledge and skills in terms of quality and standard technical procedures.

She also showcased creativity and resourcefulness having possessed the capacity to think critically and approach problems from multiple angles; manifests her potential to excel in advanced studies.

Please kindly reach out to me for any further information or clarification regarding his practical placement in our health facility.

Sincerely,

Authorizing Officer

Mr. Amadou Keita
Head Of Human Resources & Deputy Administrator
Ardingly Old Jeshwang Community Health Center

Mr. Cherno Yaddah
General Administrator & Quality Control Officer
