KUJABI SARJO

8030003059

was admitted to Fatima Senior Secondary School, Bwiam, in September 2017. After three years, he has completed Grade 12 and sat to the West African Senior School Certificate Examination in the following subjects:

Core

English Language
Mathematics
Biology
Agricultural Science
Islamic Religious Studies

Elective

Economics
Geography
Physics
Chemistry

During his years at school, he maintained an exemplary record of attendance and punctuality both at regular daily classes and compulsory afternoon studies. He is above average intelligence which he combined with a keen interest in his studies and as a result gained regular promotion.

Of a quiet disposition, he was most co-operative and respectful. He has an outgoing personality and interacted well with his mentors and colleagues. He has at all times shown self-discipline and never merited disciplinary sanction.

In extracurricular activities he was a member of the Solidarity of Islamic Students Association (SISA). He was also appointed as a school councilor which he shouldered to the best of his ability.

He is serious, dedicated and totally committed to his work. He is capable of rendering satisfactory service to his future employer.

SARJO is recommended.
