**REFERENCE FOR MAMADI CAMARA-RN/CHM**

I have had the joy and satisfaction of working successfully with **Mamadi Camara** for a period of more than **1 year** and in my capacity as the **Regional Principal Nursing Officer**; I've personally witnessed his cooperative spirit, professional attitude, and caring disposition.

**Mamadi** works collaboratively with his colleagues and has developed an especially close working relationship with the regional team responsible for all the health staff in the region. Additionally, one of **Mamadi's** exceptionally strong virtues is his attitude towards work. He is very punctual and respects authority and gathered respect from the community he serves. Whenever we meet as a department to discuss health issues, I have always found him to be the quintessential professional, listening to others' opinions with interest, offering suggestions based upon sound pedagogy, and demonstrating a sincere willingness to try new strategies in the health fraternity.

**Mamadi** has a pleasant, easy-going disposition, is fun to be with at both professional and social gatherings, and is cheerful, positive, and friendly. He will fit in very comfortably with any institution or group of professionals and I have no doubt that he will excel in any opportunity that may avail his shore. His professionalism is a well-balanced blend of competence, experience, and cordiality. I eagerly give my endorsement of **Mamadi's** skills and professionalism with the highest praise for any academic pursuit. Thanks.
