**GENERAL REMARK:** Aji Bintou Carama was admitted to Gambia Senior Secondary School in September 2012, upon completing the Basic Education Certificate Examination Course at St Augustine's Upper Basic School, after passing the prescribed examinations. She got on quite well into the school system, worked to the best of her ability to improve on her studies. Aji Bintou was a respectful and obedient student. She obeyed all school rules/regulation relating to work/conduct and she has never given the school authorities no cause no cause to censure her, during the period she spent in this school.

I recommend her for further training/employment.
