

TO WHOM IT MAY CONCERN

Dear Sir/Madam,

Ms Sophie Gomez was appointed as Leprosy/TB Inspector at the Department of State for Health and Social Welfare effect from the 29th January 2001 to-date.

Currently she is the officer in-charge of the TB clinic at Banjulinding Health Centre.

She has successfully completed a three months course on Tuberculosis/ Leprosy Case Management at the Zaria Training Institute in Nigeria in 2004. She is intelligent, cheerful, pleasant, and receptive to constructive criticism.

She is therefore recommended for further training to enhance her capacity.

Sincerely

.....
Mr. Adama Jallow
Programme Manager - TB
