GENERAL REMARK: Kebba Kinteh was admitted to Gambia Senior Secondary School in September 2015, after successfully completing her Junior Secondary School Course from Tujereng Upper Basic School. He settled down well, worked to the best of his ability and produced exercises of a satisfactory academic standard. He submitted all tests, assignments and coursework on schedule and made good use of the resources available in the school to improve on his studies. Kebba was obedient and respectful, qualities which endeared him to his peers and teachers. He is diligent and prompt in meeting obligations due to these qualities he has never been reprimanded for bad behaviour.

I recommend him for further studies/training/employment.
