Dear Sir/Madam,

**Letter of Recommendation for Ms. Fatoumata O. Jallow**

Ms Fatoumata O. Jallow has worked with the PregnAnZI-2 Trial as an impartial witness, a multi-country project that I work on as Clinical Trial Coordinator in The Gambia. Since joining the team, Fatoumata displayed a high sense of professionalism and diligence to her work. We found her very willing and hardworking both during working hours and out of working hours. Because of her commitment to work, Fatoumata got appointed as a field assistant in another project.

Fatoumata holds a secondary school certificate and is very keen on pursuing her education beyond this level. I have strong confidence in Fatoumata's potentials and very certain she will make excellent achievement if given the opportunity.

I wish to recommend her for future opportunities and training.

Your Sincerely,

Dr Bully Camara  
Clinical Trial Coordinator/Clinician
