BARRY KADDIJATOU

803000307018

Was admitted to Fatima Senior Secondary School, Bwiam, in September 2019. After three years, she has completed Grade 12 and sat the West African Senior School Certificate Examination in the following subjects:

Core

English Language
Mathematics
Science
Agricultural Science
Islamic Religious Knowledge

Elective

Economics
History
Government
Geography

During her years at school, she maintained an excellent record of attendance both at regular daily classes and compulsory afternoon studies. She is an outstanding student which she combined with a keen interest in her studies culminating in regular promotion.

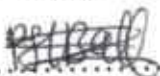

Kaddijatou is obedient, respectful and co-operative. Of a quiet and pleasant disposition, she interacted well with her mentors and peers. She was a model of self discipline and never at any given stage merited any form of disciplinary sanction.

In extra curricular activities she was actively involved. She was also a member of the Student Islamic Solidarity Association (SISA), Peer Health Educators and Press Club.

Kaddijatou is a meticulous and responsible young lady. Intellectually and in terms of comportment I have no doubt that she will live up to expectations.

Kaddijatou is recommended.
