

Effective Intervention

Date: 24th January 2024

To whom it may concern

I am writing this letter to recommend Mr. Modou Jallow for his contribution and dedication as a Community Educator at Effective Intervention - The Gambia, a UK-based nonprofit charity. Mr. Jallow's efforts significantly enhanced the teaching and learning experience for children within the education unit.

Mr. Jallow's tenure with us spanned from March 1, 2020, to March 31, 2023, during which he served in the North Bank Region (NBR) for the education project Support Classes Offered in Rural Education (SCORE) Phase-II. In this role, he demonstrated his commitment to his responsibilities, particularly in teaching approximately 25 children English and Mathematics at one of our intervention centers. Mr. Jallow has participated in several internal review meetings and refresher training programs during his tenure with us which provides a vast range of input on pedagogy, classroom management and lesson delivery and other vitals strategies to improve learning outcomes of children.

He performed his duties in an admirable fashion and has contributed to the achievements of the organizational objectives.

We have found him to be self-starter who is motivated, duty bound, and a highly committed to his work with sound conceptual knowledge. We wish him the best of luck in his future endeavors.

Please feel free to contact me or Regional Program Coordinator, Mr. Momodou Bah on +220-7996423, if any further clarifications required.
