Dear Sir,

To Whom It May Concern

I hereby write to inform you that Modou E Sarr has been working at the Shelter for Children in Bakoteh on attachment for Seven months.

During his attachment he has worked at the Out Patient Department as a nurse assistant. He was always punctual, hardworking, reliable, well discipline and very much interested in nursing.

I have no doubt that if given the chance, he can perform to the best of his ability. I highly recommend him to any institution so as to further his nursing education.

Whilst counting on your usually support, please accept the assurances of my highest consideration and esteem.

Yours Sincerely

Marie L. Gomez

Nurse in Charge
