RECOMMENDATION

TO: WHOM IT MAY CONCERN

NAME: EBRIMA KAH

The above named was attached to the Accident & Emergency Unit of the Edward Francis Small Teaching as an attaché from the President's International Award (PIA) for a period of six months, October 2014 through march 2015. The purpose of the attachment was to introduce him to basic nursing skills, the Nursing profession and other interpersonal skills. He worked under the supervision of the Departmental Matron and his staff.

During this period, he exhibited a high sense of responsibility, commitment, dedication, respect for clients and their families and staff, empathy and selfless service. His punctuality, interpersonal relationship, communication skill, respect for authority and insatiable desire for personal development are worth emulating.

We are hopeful that if given the opportunity, he has the ability to excel in every endeavour.

We wish him all the best in all her academic and professional endeavours.

Thank you

TO WHOM IT MAY CONCERN

Dear Sir/Madam,

It's with absolute pleasure that I recommend Ebrima Kah with your Institution. Ebrima has worked under my supervision and management as intern from 2016 and was later trained and staffed at the nursing department due to his seriousness and hard work. Since then Ebrima has worked with diligence and dedication.

I thoroughly enjoyed working with him and came to know him as a truly asset to absolutely any team. She is one of the most discipline staff that I have ever worked with.

He is honest dependable and incredibly hardworking. Beyond that he is very serious with any task assigned to him and always worked within time limit. He is an advantage to the entire team of Sharab. A true team player and managed to foster positive discussions and bring the best out of other employees. Ebrima is intelligent, smart and has great leaderships skills and I believe this is what nursing body needs.

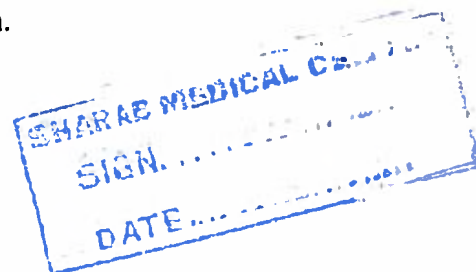

I Strongly recommend him to any institution of his choice.

Please do not hesitate to call me for any further question.
