Dear Mr./Ms. Sanneh,

As you are aware that you were given 6 months' probation period upon joining us as a Community Educator and after completion of first 6 months it was further extended to 5 more months because we did not have enough evidence of your performance due to unexpected break in between which was caused by coronavirus pandemic.

During the eleven months' probation period with Effective Intervention, we have reviewed your performance and are pleased with it. You have met the required standards of performance in your capacity as a Community Educator.

We are happy to inform you that you have been confirmed to the position of Community Educator at Effective Intervention with effect from 01/02/2021.

All the other terms and conditions remain unchanged as stipulated in your employment contract.

We wish you good luck and a fruitful career ahead with us.
