SAIKOU OMAR JOOF 03106056

was enrolled at St. Peter's Technical High School in September 1991. He has completed Form Five and sat the 1996 SC/GCE 'O' Level Examination in the following seven subjects:

English Language	Mathematics (Traditional)
Technical Drawing	Applied Electricity
Geography	Biology
Agricultural Science	

His record of attendance has been exemplary especially in his last three years in School. He was regular and punctual.

Saikou Omar is a young man of about average intelligence. Though a slow worker, he always made the effort to apply himself to his studies seriously. This has resulted in his achieving fairly good grades in examinations.

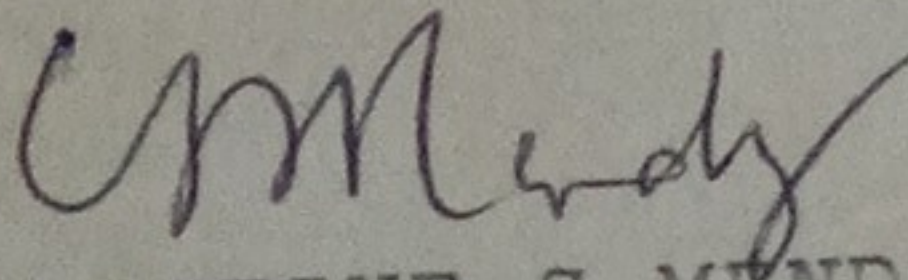

He is of good character and conduct being very polite, obedient and cooperative. He interacted well with both peers and members of staff.

He took an active part in sports and in several occasions, he has represented the school in athletics at Inter-School competitions.

He was a member of the Geography Society and President Award Scheme.

A reliable young man capable of rendering useful service to his future employer.

He is recommended
