**TO WHOM IT MAY CONCERN**

**RECOMMENDATION FOR MR. DEMBA BALDEH**

In my capacity as Officer In-Charge, I have the joy of working with **Mr. Demba Baldeh** who is a volunteer Nurse Attendant (NA) at Basse District Hospital since **April, 2022**. He underwent a vigorous NA training on the job at the Chinese Mango Clinic in Basse prior to joining Basse District Hospital. **Mr. Baldeh** is attached to the pediatric ward where he is serving with due diligence for the attainment individual and collective goals. He is willing and ready to make his service available to other wards when it is needed.

**Mr. Baldeh** is known for his hard work, dedication to his duties, and respect to authorities. He possess a burning desire to learn and upgrade himself. His greatest virtue is his interpersonal skills and attitude toward work, her colleagues, patients and their families. I am quite satisfied with has the ability to learn fast, adopt and adjust to any circumstances he finds himself.

**He** is assertive and possessed a great command of both spoken and written English. I have no doubt he will complete assignments on time, participate in group works, seminars and during lectures. I therefore eagerly give my endorsement of **Demba's** skills and professionalism with the highest praise for any academic pursuit especially in nursing.

Sincerely yours,

**Baatou A.M Camara, RN, RM, BSc.**

To Whom It May Concern:

Dear Sir/ Madam,

**RE: REFERENCE INFORMATION FOR Mr. DEMBA BALDEH**

This certifies that I have known Mr. Demba Baldeh for the past two years as Nurse volunteer and was appointed on 25<sup>th</sup> September, 2023 as Nurse Attendant at Basse District Hospital. He is very hard working and effective in executing his duties and assignments as a Nurse Attendant and has been expose to various departments ranging from Outpatients, In-Patient, Reproductive and Child Health, and Maternity ward.

Demba is obedient to both her seniors and good at grasping new concepts with high intellectual capabilities. He is very resilient and easily adapts to challenging environments. This is shown by his dedication and passion for the work. He has good verbal and written command of the English Language and good interpersonal communication skills. He is very punctual and regular at work respect authority.

In view of the above-mentioned qualities coupled with his academic qualifications, experience, and ambition. I therefore recommend him for any nursing program without any reservations.

Sincerely,

**Mr. Samba Bah - Regional Principal Nursing Officer (RPNO)  
FOR: Regional Health Director – RHD-URR**
