RECOMMENDATION

RE: MARIAMA A. JALLOW

Mariama A. Jallow (GR. No. AE431) enrolled as a student of this institution in September 2012 in Grade Ten. During these years she studied diligently and attained Grade Twelve. She wrote the West African Senior Secondary Examination (WASSCE) in May 2015. Her performance in this examination was satisfactory.

Mariama is among the extroverts of her time and she fits very well into almost every activity. Her quest for knowledge is founded upon a deep need to serve, driven by a need to achieve and pursue ideals that sharpen one's ability with above average competence and knowledge in solving problems. Both in school and in the community, **Mariama** demonstrates high leadership qualities and the ability to work under pressure and meet deadlines. She was the Assistant First Aid Co-ordinator. Her even disposition exhibits calm and patience whenever the situation demands it.

She was a keen football player. Her hobbies, reading, listening to news and watching documentaries have greatly influenced her out-look in life. She thinks reasonably and takes time to arrive at conclusions. She is a good judge of character and her confidence and self-esteem are outstanding leadership qualities in her.

I am of the highest conviction that if given the opportunity, she will be capable of undertaking academic pursuits at tertiary level with success. I am sure she will prove worthy of my views and recommendations of her.
