Ref: Lamin Darboe

State Enrolled Nurse

RECCOMENDATION LETTER

Lamin Darboe is a State Enrolled Nurse (SEN) with over four years of working experience currently working at the General Outpatient Department of Essau District Hospital. He was redeployed to Essau in December 2019 from Jurunku Health Post.

He is committed, punctual skillful on the job and honest to his duty with a good interpersonal relationship with all the staff. He can seamlessly gel in any Multi-Disciplinary Team (MDFT).

He is always above and beyond the call of duty and has also been exceedingly effective and obedient to his supervisors. He has also gathered a lot of experience during this period.

I will therefore recommend him to any academic institution to pursue further education.

Yours faithfully

Lamin Fofana

Nurse Administrator

For Officer in Charge

Essau District Hospital
