SENIOR SECONDARY SCHOOL DEPARTMENT

31st May, 2017.

TESTIMONIAL

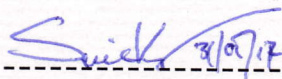

This is to confirm that SABINA FRANCISCAN RICHARDS was a student of the above named school from September 2014 – May 2017.

Her academic performance was good. She was a serious student. Sabine is a well behaved student who can no doubt attain higher academic laurels. She is respectful and obedient.

I am positive that if given the opportunity she will do her best to improve herself socially and academically.

I hereby recommend her for further studies or any other opportunity without any reservation whatsoever, which will help her develop and become useful to herself and the society.

Yours faithfully,

SORIE KOROMA
