ENGLISH PROFICIENCY

RE: MODOU LAMIN DARBOE

MODOU LAMIN DARBOE (G. R. No. AK506) was admitted to this institution of learning in September, 2019 with level headedness and commitment to studies, **Modou** attained Grade Twelve and sat for the West African Senior School Certificate (WASSCE) in July, 2022.

Having spent twelve years in a system which uses the English Language as its medium of instruction, **Modou** has been equipped with the necessary skills to receive instruction in any institution where English Language is the channel of instruction and communication.

Modou has been taught English Language as a subject and has good knowledge of the rudiments of the language. Having proved that he can communicate effectively in both written and spoken English, **Modou** is quite capable of withstanding the rigours of university or college education anywhere English Language is used as the medium of instruction.

I therefore attest that, **Modou** is fluent and proficient in English Language and has clear understanding and knowledge of the structure and rudiments of the Language.
