To whom it may concern

I am pleased to recommend Abiagam Angela Passport no; A04490113 she has done three weeks practical's at our organisation (comprehensive care) and a full committed student in the organization, whom the organization has retained on several occasions to assist etc.

She loves caring and helping people/community and she has actively participated, volunteered in many care-giving programs & community programs also have health care techniques.

I highly recommend her because her qualities and her capabilities and also dedication

Should you wish to discuss anything regarding this please feel free to contact me.

Yours affectionately
