RE: ATTESTATION FOR MARIAMA JOBARTEH (ENROLLED NURSE)

Having successfully completed the Enrolled Nurse training of this school in both theory and practice, I hereby write to affirm that she was a student of the September 2013 intake.

This particular class commenced their training on the 16th September, 2013 and completed on the 27th November 2015. She had successfully undergone the entire course and passed all the training requirements in each module of the course and also passed the end of course (final) examination.

In view of the above, I hereby write to attest that the above given information is correct to the best of my knowledge. I therefore seize this unique opportunity to congratulate her for the achievement

Please accept the assurances of my highest consideration and esteem.

Yours Sincerely
