Dear Sir/Madam

RE: RECOMMENDATION FOR MR.GIBRIEL SANNEH

I write to recommend Mr. Gibriel Sanneh a former student of the above addressed school.

Mr. Gibriel Sanneh was a student at the Community Health Nursing School from 2010 to 2012. During this period, he was found to be hard-working, motivational, capable, compassionate, diligent and above all dedicated. His group dynamism and leadership nature warranted his class and the school administration to entrust the responsibility of class president to him.

Mr Sanneh is multitasking, out spoken and always willing to learn as well as share with others. I strongly recommend him to any higher institution for academic pursuit.

Thank you.

Yours Sincerely,

.....

Mr. Dodou Sanyang
